

1960 PCUG NEWSLETTER NOVEMBER-DECEMBER 2007

Wishing you all a very Happy Thanksgiving and Holiday Season from the Board. We are looking forward to a fantastic 2008 with our new board to be announced at the December 6th Party/Meeting.

Jim Kelly will present a Nature Slide show featuring birds photographed in Florida, Louisiana, and, of course, many from Texas.

Members are asked to bring a food item for our social hour which will be a good opportunity to mix and mingle.

NOVEMBER MEETING

Bill Franklin gave an excellent Landscape Photography program which was complemented by his and wife, Jean's travel photos of the beautiful Irish countryside, villages and friends. Many of us would like to make travel plans to the Emerald Isle after viewing the presentation.

We are so fortunate to have such talented members who share their knowledge and adventures with the group. Thank you, Bill and Jean for such a delightful program.

APCUG CONVENTION

Remember that 1960 PCUG is a member of the Association of PCUG at the website www.APCUG.net. This is a resource about the most recent personal computer information available to members. Please check it out.

The annual convention will be held in Las Vegas, Jan. 3-6, 2008 at the Riviera Hotel. Check the website for details.

2008 UPCOMING PROGRAMS

Teresa Tusa from HISD will give a Nature Photography presentation at the January General Meeting followed in February with a program on Posing.

Please submit any suggestions for program topics to any of our officers or members at large. We are always open for new ideas and will gratefully accept input on the subjects members would like to have presented.

Randalls & Kroger Cards

Don't forget to use your Randalls and Kroger's cards as you do your holiday shopping. This is a simple way to benefit our 1960 PCUG treasury and all you have to do is eat!
