

1960 PCUG NEWSLETTER

September 2007

Hello Members,

This is my first attempt to prepare a computer newsletter so I am asking for your patience, suggestions, and help from anyone who is computer savvy. Marj Krisman has been a great resource and continues to be available to answer my questions. Since she has been the newsletter editor for many years, I think she needs a break.

I am attempting to learn all the technology skills needed to make this a painless process as well using the least amount of time putting the newsletter together each month.

Please phone or email me with suggestions and help.
BeaAnn Kelly at beaannkelly@gmail.com, or 281-257-4921.

INVITATION FOR ALL YOU GENIES:

We are up to 14. The bus will hold 27, let's load it up! Barbara Franz is looking for a good turn out from our great society!

Trip: Conroe Public Library

Date: Monday, September 24, 2007

Place: Stein Mart parking lot 1153 Kingwood Dr.

Park over toward Kingwood Dr so we won't take up customers' spaces.
Time: Load bus 8:15 am Bus leaves for Clayton at 8:30 am
Leave Conroe: 3:30 pm Arrive back: 4:15 pm. Stein Mart parking lot.
Lunch: Luby's

You must email or call me only if you plan to come. **Please don't sign up until you are sure you can go.**

If at the last minute you are unable to make it due to illness or an emergency CALL me. I hold the bus until 8:30 for everyone that signed up that are on the list. **Please be kind and let me know if you have cancelled.**

September GENERAL MEETING

Bill Franklin presented more than 20 tips for posing the male model at our September general meeting. He gave us some valuable pointers to use next time we want to get that "extra touch" when taking photos of family and friends.

Sonny did a fine modeling job and looks like a professional in that hat.

Bill plans to present a program next year on posing the female. We will be looking forward to learning the subtle differences in technique.

1960 PCUG NEWSLETTER

September 2007

October 4, 2007 General Meeting – Underwater Photography

October 13, 2007 – Macro photography workshop by Kathy Adams Clark

August Genealogy SIG

Lynna Kay Shuffield drew a large group for her presentation on “Websites I Love to Visit.” Lynna Kay is very knowledgeable and made the 2 hours whiz by. Some of us could have listened to her for another hour. Thank you Lynna Kay for a fine program.

September Hardware SIG

James Hug installed a panel hub providing easier access to additional USB ports. If you have never been to one of James’ SIG programs, I would like to encourage you to attend. He explains much of the technology so well that even I, a mere novice, can understand some of the information.

2008 OFFICERS’ NOMINATING COMMITTEE

Your board has selected a five member committee to propose a slate for next year’s board. They are: Jodena Boring, Bill Franklin, Jim Kelly, Gary Poll, and Bill Wright. Learn more and become involved in our organization by running for office.

All members are encouraged to attend Board meetings the 4th Monday of the month at Denny’s Diner, 7720 Louetta. Dinner at 5:30 pm followed by the meeting.

Minutes are also available on the club website.
